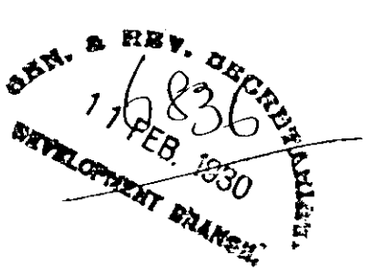
GOVERNMENT OF MYSORE

Telegraphic Address:—"GEOL."

MYSORE GEOLOGICAL DEPARTMENT,

No. 4031-10

Bangalore, 10 February 1930.



FROM

P. SAMPAT IYENGAR, ESQ., M.A.,
Director of Geology in Mysore,
Bangalore.

To

N. Rama Rao, Esquire, B.A.,B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore,
Development Departments.

SIR,

I have the honour to bring to the notice of Government that the services of Mr.B.N. Venkataramaiya, B.A., Assistant Geologist and Superintendent, Chrome Mines, will terminate on the 15th February 1930 at the expiry of the six months combined leave of absence granted to him in Government Notification No.D.432/Geol.111-28-3, dated 13th July 1929. Accordingly he will be retired on that date. (G.O. no D 435-6/Gen III-28-4 dt 13/7/29)

In the vacancy thus caused it is necessary to make permanent arrangements and I beg to submit the following proposals for favourable consideration and early sanction of Government.

(1) Mr.B. Rama Rao, M.A., Sub Assistant Geologist, who is now officiating Assistant Geologist from 16th August 1929 on a pay of Rs.350/- in Mr.B.N.Venkataramaiya's leave vacancy (Vide Notification No.D.3560/Geol.30-29-6, dated 28th September 1929) may be confirmed as Assistant Geologist and started on Rs.375/- in the grade Rs.300-25-450. From the year 1920 Mr. B Rama Rao has been practically holding the Assistant Geologist's place either Sub Pro Tem or Officiating and his claim was recognised for preferment and advancement on several occasions But in view of the fact that the Government were not in favour of increasing the number in the cadre of Assistant Geologists, they

E

they were pleased to grant him in G.O. No. D. 10718-19/Geol.154-26-1 dt-6-27 a personal allowance of Rs.50/-, which was always allowed to be added to his pay during his subsequent officiating tenure as Assistant Geologist. In other words he has been drawing a consolidated pay of Rs.350/- ~~from 6th~~ ~~December 1927~~ (Vide Government order No.D.6401/Geol.57-27-9,dated 19th December 1927) Under such circumstances the three grade increments now recommended is not excessive. So I request his being started on Rs.375 in that grade.

(2) Mr.S. Lakshmana Rao,B.Sc., Provisionally Permanent Sub Assistant Geologist seconded in the Geological Department (Vide Government Order No.D.13040-41 Geol.31-28-6,dated 9th June 1929) is now deputed as a whole time officer in charge of the Byrapur Mining operations. I recommend that he be confirmed as Sub Assistant Geologist in the vacancy of Mr.B. Rama Rao, M.A. Vide supra and started on a pay of Rs.150 in the grade Rs.125-$\frac{25}{2}$- 250. It is needless for me to point out that Mr.S. Lakshmana Rao has been Sub Assistant either officiating or provisionally permanent from the year 1927 and he has thus earned this grade increment. It is only just that he should be given Rs.150/- in that grade.

It is my intention to continue him as Officer in charge of the Byrapur Mining Operations and he will therefore draw the allowance of Rs.50/- per mensem in addition to his pay as Sub Assistant Geologist so long as he continues on that duty in accordance with Government Order No.3563-6/Geol.30-29-7,dated 28th September 1929.

(3) Mr.T.P.Krishna Char, B.Sc., Field Assistant, who is now Officiating Sub Assistant Geologist vice MR.B. Rama Rao (Vide G.O. D.3560/Geol.30-29-6 dt 28-9-29) will cease to be so from the 15th ebruary 1929. I now propose that he may be appointed to Officiate Sub Assistant Geologist vice Mr.V.T.Venugopal, Sub Assistant Geologist, seconded in the Geological Department.

(4) The services of Messrs. N. Panduranga Rao, B.Sc., and N.V. Babu Reddy,B.A., who were appointed Temporary Field Assistants, Vice Messrs.S. Lakshmana Rao & T.P.Krishna Char respectively on other

duty, up to 15th February 1930 or until further orders, may be continued for a further period of one year in the first instance on the same pay of Rs.100/-. The scientific work of the Department especially in the matter of Museum work, publications, compilation of the Geological History of Mysore &c are practically at a stand still on account of the Senior Officers of the Department being engaged all along these three years in prospecting and economic investigation work in the Districts. These two Temporary Field Assistants will now take their places and relieve them to attend to the work in Head Quarters.

Soliciting early orders.

I have the honour to be,
Sir,
Your most obedient servant,

M. S. Ampat Iyengar
Director,
Mysore Geological Department.
